Support the **Sonoma Valley Hospital Foundation's** need for new digital X-Ray equipment. They've been using the same, outdated equipment for over 30 years, and they require new technology in order to continue providing the much-needed lifesaving, diagnostic services to people throughout our region. It's your chance to major in Pre-Med!

Redwood Empire Food Bank distributes 13 million pounds of food annually throughout Sonoma County, including five million pounds of fresh produce - all valued at \$20 million – which doesn't move by hands alone! The Redwood Empire Food Bank will use your Fund-a-Need donation to acquire a forklift and pallet jacks that will ensure that the food they provide reaches people in need across Sonoma County as quickly as possible.

Raise your hand (and your paddle) to support this important work. If you do, we guarantee you'll graduate with honors!
